

## Indoor Range Rules

1. Hearing and eye protection is required for everyone in the firing range.
2. Shoot straight downrange only. No cross firing at targets.
3. Shoot at paper or cardboard targets only. No exceptions.
4. A range use fee of \$5 per member per day shall be paid prior to entering the firing range.
5. Range is to be used by current LCSA members only. Non-members are not permitted to use the range except during events organized and operated by LCSA.
6. Clean up after yourself. Pick up brass, targets, cartridge boxes and other waste before you leave the range.
7. Turn out the lights before you leave the range and waiting room.
8. If you turned on the heat, turn off the heaters by pressing the switch before you leave the range.
9. Turn off exhaust fans before leaving the range.
10. Before anyone goes downrange, all firearms shall be unloaded and placed at rest; rifles shall be placed in the rifle racks with actions open or pistols shall be laid on the tables with actions open. No firearms shall be handled in any way whenever anyone is down range.
11. Shooters shall keep all muzzles pointed in a safe direction at all times.
12. No firearms shall be carried downrange in front of shooting benches.
13. Report any unsafe or prohibited behavior to the Board of Directors.
14. Firearms shall not be handled until the shooter has entered the firing range. Firearms shall not be handled in the waiting room.

15. No shotshells shall be fired in the firing range.
16. Only straight wall pistol cartridges are permitted to be shot from handguns.
- 17 Only .22 long, short, or long rifle cartridges may be shot from rifles. No other rimfire cartridges permitted.
18. No centerfire rifle cartridges are permitted.
19. Maximum velocity of all ammunition shall not exceed 1200 feet per second.
- 20 Each member shall swipe their key card access upon entry to the range.
21. Do not move shooting benches and do not move in front of shooting benches to shoot.
